Dear Kathryn

We have received by email, that the meeting of the JCNP for the 16th May has been cancelled.

The FBU has not received an explanation or reason for this very late cancellation to a meeting programmed and agreed by both sides in January 2008.

It is only basic good manners to give an explanation or reason for cancelling a programmed meeting, but you have decided for reasons best known to yourself not to afford us that common curtesy.

We would be grateful if you will reflect on that decision and furnish us with your explanation or reason for cancelling this meeting by return.

Regards

Andrew Price
